DESCRIPTION

A multistory apartment complex of 112 units combining independent living apartments plus assisted-living apartments, Appleridge at Bethany Village is located in Horseheads, New York. The complex, nestled in the hillside above the other sections of the Bethany Village campus, consists of a community building of approximately 80,000 s.f. and offers shops, dining facilities, recreational center with indoor pool, activity rooms, multipurpose rooms, lounge, english pub, gift shop, library, and a 'street of shops', all surrounded by residential wings containing a variety of apartment layouts.

CONSTRUCTION COST

\$18 million
