Green Isle Boy's Ranch, Board of Directors

125th Celebration of Clermont, Chairman

Michael Latham has 21 years experience in all phases of Architectural Design and Construction. He has played key roles in projects from \$50,000 to \$30M. As a Vice President at GatorSkitch Architects, Mr. Latham ensures the creativity and design elements created by the staff meet and exceed the high standards of our clients.

As a former business owner, Mr. Latham knows that communicating one-on-one with our clients is a top priority. His passion for customer service and high quality, combined with his ability to adapt to changing situations makes him one of the best in the industry.

Recently, Mr. Latham has worked on a variety of municipal projects including the Division of Motor Vehicles office build-out in Clermont, FL and the Florida Equine Center, a 3,400 s.f. equine medical center. He designed the relocation plans and renovation of Cooper Memorial Library and lead the design team on the renovation and restoration of the Clermont Train Depot.

He is serving as Principal-in-Charge for the multi-million dollar expansion and renovation at the Public Works Compound at the City of Kissimmee.

Recent projects include:

- East Lake Community Park, Sorrento, Lake County, FL
- West Park Concession Stand, Clermont, FL
- Waterfront Pavilion, Clermont, FL
